Traci Curtins, Pennsbury Coach: Pennsbury lost the game according to the score, but it was a win for them in many more ways than one. Back in September, when the Falcons began their story and first faced CR South, they lost 6-2. Today reflected heart, progress, better skills, improved field hockey IQ,

and utilizing strengths on every layer of the field. Everyone contributed in their own way and that is what we love about this team. Rock scored first with 12 minutes left in the first half and Pennsbury kept it 1-0 into halftime. This was a huge victory for us as we played smarter, patient defense, disallowed their strong players to control the game, and made adjustments to hold them down. We are so proud of our defensive foursome of Joniak, Glynn, Tosh, and Aker – they work really well together and are extremely coachable. Our girls took away options for South and definitely handled the ball a bit better than them in the first part of the game. We created offensive opportunities, but again, were just a step short in finishing. The Falcons had a bit of a let down in the second half as South scored two more goals making it 3-0 and it looked like Pennsbury was falling into old habits. However, with 11 minutes left in the game, the tides turned when freshman, Jaclyn Gorgo, started talking and directing in the center and set up a great goal for Maddy Spratt. Gorgo continued to be a great spark in the center along with adjustments made with Casey Glynn, giving us tons of offensive momentum. Casey was given a job and did it perfectly and that is what we love to see in our players. That was another win for us in the moment. Maddy Spratt connected again with 4 minutes left in the game on a great reverse stick hit past South's goalie from the left. The Falcons were now down 3-2 with time left to try and even it up. Being in this situation felt like a huge victory for us as it was evident that the Falcons are a force to be reckoned with. Sophia Hitchingham and Kayli Williams were also huge contributors today. After a time out with possession of the ball and 1 minute remaining, Pennsbury put it all out on the field, but could not make it happen and it ended with a final score of 3-2 in South's favor. Today was a victory through a loss and will give us momentum as we continue forward. We are living out our philosophy of becoming improved versions of ourselves in as many ways as possible and that is really nice to watch happen. The Falcons host Truman on Thursday and it will be their Senior Recognition game and then they travel on Friday to face Hatboro-Horsham for the first time.

Game summary- It was a neck and neck game all first half. The defense for both teams played strong and dominated the first half. Kiki Egberts found the back of the cage 8 minutes into the second half for Harriton. Harriton knew they had to keep up the intensity against a great team like Springfield. The Rams midfield did an awesome job distributing the ball down the field to set up the Rams for the second goal of the game by Kiki Egberts. With 16 minutes left, Ashton received a beautiful pass from Kat and scored giving the Rams a 3-0 lead. Big night for the Seniors as it was their Senior Night! Great team effort by the Rams! Next game for the Rams is a Central League game against Penncrest on Thursday.

Eric Enters, PV Coach: Perkiomen Valley came out with a vengeance today and displayed exceptional ball control and passing combinations. The first goal and eventual game-winner by Cristina Dougherty came on a sequence where 6 different players connected on some tight 2 touch passing ending with a tap in at the right post. PV followed this up with Danielle Hamm netting a natural hat trick and Kaci Shelton connecting from Anna Dawson on a corner play to complete the first half scoring. The second half saw Boyertown's defense and goalie stifling the PV attack for thirteen minutes before Katie Wuerstle exploded for a natural hat trick in a 2:37 span as 3 different players assisted on her goals. The pace and accuracy of passing was beautiful. Kelly Baitinger got a goal on a strong individual effort scoring off her own rebound after an amazing save by Levengood of Boyertown. Saige Shine put the final goal in on a simple corner play on a perfect injection from Kaci Shelton. Credit to Boyertown who fought to the last second trying to break up the shutout.

Ginny Moore, CB West: The Bucks made their senior night a memorable one for sure! Scoring first and holding the lead going into halftime was a huge accomplishment for this team, their hard work and resilience paid off!
NP tied it up early in the second and it was a nail biter 'til the very end! NP scored on a corner after time had run out. Both teams hustled ferociously the whole game, NP has very strong, quick, and skilled players. The coaches continue to be impressed and incredibly proud of the Bucks' improvement this

season. Comparing this game to the last time we saw NP, looking at all the stats over time, and the collective effort from start to finish... this team has come such a long way. Forwards: Grayce Reimel, Emily Hohenlietner, Em Erickson, and Bryn Spoerl did a great job creating offensive opportunities. We tripled the number of shots we had the last time we saw NP. Mids: Julia Bunch, JL, Kendall Siegle, Bella Aulisio, and Claire Engebretsen worked together as units and connected our team with solid passing and interceptions. Defense and GK Brooke Golbeski played phenomenally. D made 5 goal line defensive saves together!!! Sara Lelii 2, Maggie Whalen 2, and Claire Natoli 1- truly impeccable play. Brooke made 18 amazing saves and defended 8 penalty corners! Outstanding D! Shoutout to our 2019 Seniors: Grayce Reimel & Emily Hohenleitner on the forward line, JL right mid, and Sara Lelii, Maggie Whalen, and Ella Casale on the Defensive line!

Peyton Ritchey from Sanaa Hebron, 24:33

Second half:

Jamie Pennington from Peyton Ritchey, 12:06

Brooke Cordisco from Peyton Ritchey, 7:57

Brooke Cordisco from Asia Barnard, 6:23

From Neshaminy: Today our seniors really stepped up, Brooke Cordisco was strong on the ball and stepped up coming out of the back creating offensive opportunities. Jamie Pennington really used her skill today to control the center of the field, and Peyton Ritchey did a nice job offensively creating opportunities and getting good touches in the circle. We had some good scoring opportunities today, but Tennent's goalie, Sophia Trozzi, played really strong and made some great saves. Avery McGinty also played well for us defensively and Sanaa Hebron hustled up top. Today we were able to clinch the SOL National League, and I couldn't be more proud of the girls, not only for winning, but for how they have supported each other on and off the field during the past week. I would like to thank Tennent for their support over the last week; they sent flowers, wore blue ribbons and had a moment of silence today for Coach Dougherty. The teams in and out of our league have been so kind and supportive, it really means a lot to us during this difficult time.

Marple Goal 2nd Half 4:23 Kylie Gioia

Penncrest and Marple squared off in a Central League field hockey match that was competitive and tightly played from start to end of sudden death overtime. The final score was 1-1 with both teams determined to come away with a win. The teams traded runs and shots in the first half with no score until a Penncrest corner being executed with the clock at 0:00. Sophomores Sam Woolery and Sofia Saulino connected on a perfectly executed corner to put the Lions up 1-0 going into half. Marple would even the score with an unassisted shot at the 4:23 mark in the 2nd half by Kylie Gioia. In the sudden death overtime, Penncrest would again line up for a corner with the clock winding down to zero. The Lions would again put the ball in the back of the cage with a laser strike from Alana Laliberte from the top of the circle but the officials would wave off the goal. Special shout outs to Penncrest senior goalie Audrey Bassett for 14 saves and both teams for putting on a determined effort of two equally matched teams. Penncrest 3-11-1 Marple 5-9-1
